

# CERTIFICATE OF APPRECIATION

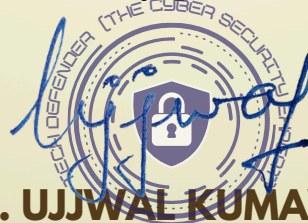

THIS CERTIFICATE IS PROUDLY PRESENTED TO

*Mr. Alekh Verma*

In recognition of your valuable contribution as a **Guest Speaker** for the session on  
**"Beyond Login: Advanced Web Security Mistakes Explained Simply"**  
organized by **TechDefenders (The Cyber Security Experts)** on **18<sup>th</sup> July 2026**.

Your insightful session on advanced web security concepts, common web application security mistakes, and secure development practices has greatly enriched the learning experience of all participants. Your expert guidance on identifying security flaws, understanding real-world attack scenarios, implementing effective defense strategies, and following industry best practices has inspired aspiring cybersecurity professionals to strengthen their knowledge of web application security and ethical hacking.

We sincerely appreciate your time, effort, and dedication toward empowering the next generation of cybersecurity professionals.
